School Council Meeting	Tuesday 28 th February 2017
SSG Meeting Afternoon	Tuesday 14 th March 2017
School Council Meeting	Tuesday 28 th March 2017
End of Term 1	Friday 31 st March 2017
First Day of Term 2 for Students	Tuesday 18 th April 2017

Dear Parents and Carers,

It's the end of week 4 and students and staff are well settled in to their new classrooms and routines. We have recently reviewed the placement of students and I am pleased to say that there will be minimal changes to this.

iPads

The school has expended a great deal of money on iPads this year and we are hoping that all students will have an iPad for school before the end of the term. We have not sought a parent contribution towards the cost of these devices and iPads will be kept at school.

Sensory Garden

We have been fortunate to have VCAL students from Melton Specialist School coming in to clean our gardens and create a sensory garden in our little playground. The students have worked extremely hard on very hot days and done an amazing job. They will be back next Thursday to complete the garden. Our senior students prepared a BBQ for our visitors in appreciation of their contribution to our school.

New Building

Unfortunately the timeline for the completion of our new building has been extended. It has been confirmed that the building will not be ready for occupancy for another fortnight at least.

Goodbye

On Monday we said goodbye to Jilly, our music therapist. Jilly has worked at the school for 10 years and over this time she worked with a number of students. Jilly and her husband are expecting their first child and we wish them the very best.

I hope you enjoy reading through the news from the Green Learning area team in this edition.

Regards,
Ashwini
