SSG Meeting Afternoon	Tuesday 14 th March 2017
Parents Morning Meeting All carers and parents welcome at Alfa Café in Seddon	Sunday 19 th March 2017
School Council Meeting	Tuesday 28 th March 2017
End of Term 1	Friday 31 st March 2017
First Day of Term 2 for Students	Tuesday 18 th April 2017

Dear parents and carers,

Yesterday some of our students visited Yarraville village to sell our cards to Village Idiom. The students helped photocopy the artworks, cut them up, glue them down, stick school name labels, match the cards with the envelopes, bag and seal them. Quite a few processes took place in the weekly art lessons to achieve this outcome!

Students also discussed where they would be sold, how much they would cost and who might like to buy them and why. It was been a great work session with different students helping with various processes. Something for everyone!

SSG meetings

From Tuesday 14th March we will be organising SSG meetings. Notes will be sent out shortly to arrange meeting times.

Parents/Carers, Family and Friends Coffee morning

Our parents/carers are holding a morning tea at Alfa Cafe, Seddon on Sunday 19th March at 10:00 am. You are invited to attend.

I also encourage you to take every opportunity to be involved in the school. In term two, we will be looking for parents who are interested in being involved in a parent help program that we are planning to implement. We will send you further details about this later in the term. If you wish to be involved in this program, please let Janet or your child's class teacher know.

We are very excited about students using the beautiful sensory garden that has been created within our small yard. Over the last few weeks, students from Melton Specialist School have been working very skilfully and hard to create a sensory garden in the yard. We acknowledge the commitment from the staff and students from Melton Specialist School and admire their creativity and skills. We also acknowledge the monetary grant we received from Mobil to purchase materials and plants for the garden. The garden will provide calm and sensory experiences for the younger students.

Regards,
Ashwini

Every Child, Every Opportunity, Every Day
