STATEMENT OF COMMITMENT TO CHILD SAFETY

Yarraville Special Developmental School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences. Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

SPECIFIC STAFF CHILD SAFETY RESPONSIBILITIES

Yarraville Special Developmental School has nominated a Child Safety Officer to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the child safety Officer are outlined at (click on blue hyperlink) [Guidance for child safety officers/champions](#).

Our principal and Child Safety Officer are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

The Child Safe Officer is responsible for monitoring the school's compliance with the Child Safety Policy. Anyone in our school community should approach The Child Safe Officer if they have any concerns about the school's compliance with the Child Safety Policy.

The Child Safe Officer is responsible for informing the school community about this policy, and making it publicly available

Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school. [Child Safety Code of Conduct](#) (Click on blue hyperlink) also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

New employees and volunteers and contractors are inducted into the school, by asking them to read and agree to the Child Safety Code of Conduct upon their initial visit to the school and photocopying their Working with children's Check. They will also be made aware of the child safe policies available on our website. Additionally, they will also be supervised regularly to ensure they understand our school's commitment to child safety, and that their behaviour towards children is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal and will be managed in accordance with Yarraville Special Developmental School's [Child Safety Responding and Reporting Obligations \(including Mandatory Reporting\) Policy and Procedures](#) (click on blue hyperlink) where required.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Yarraville Special Developmental School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and formal meetings with an Acknowledgement to Country as a standing agenda item.
- Build school wide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes.
- Include Aboriginal history and culture in professional learning for staff and volunteers and in curriculum planning for students.
- Develop a resource bank of digital, hardcopy print and other artefacts that support the inclusion of Aboriginal content across the curriculum.
- Display the Aboriginal and Torres Strait Islander flags together with the Australian flag upon entry to the school and on table tops in communal meeting spaces
- Ask for feedback from Aboriginal students and their families about what the school does well, and what can be improved.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Yarraville Special Developmental School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through explicitly teaching our school values of Be Safe, Be Respectful, Be Responsible and implementing our whole school approach to Respectful Relationships and Student Code of Conduct

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns on our website under [Child Safe Standards](#) (click on blue hyperlink) or contact the school office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Yarraville Special Developmental School, we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Seeking input from families and the community through the school website, newsletters, school council, Parent workshops and Student Support Group (SSG) meetings
- All of our child safety policies and procedures are available for students and parents on our website under [Child Safe Standards](#) (click on blue hyperlink) or at the school office.
